

CLASSIC HARBOR LINE
NEW YORK, NY

Rates for Outside Catering, Outside Caterers, Equipment Rentals and Corkage Fee

Please consider Classic Harbor Line's comprehensive set of catering menus and bar packages. Also, consider a conversation with our Executive Chef, Wendy Crispell, if you do not see the ideal menu for your event needs.

If you must bring outside catering aboard, contract the services of an outside chef, or have outside alcohol brought aboard, please note the following:

- There is a per person charge for outside catering.
- Outside caterers who handle food aboard the boats must list Classic Harbor Line as additionally insured.
- Use of a Classic Harbor Line galley requires a 'galley rental' and an in-house CHL cook or crew member to assist with galley use.
- Any outside caterer or outside food or beverage service person must adhere to all New York city and state Food & Health regulations.
- Due to NYS Liquor Law, all outside alcohol must be served by Classic Harbor Line staff.
- These prices help cover the cost of set-up, service, manual clean-up, and garbage disposal associated with handling outside catering, which we must pay for per bag. Additionally, this pricing is to help offset the displacement of the food & beverage segment of our business.

Outside boxed/bagged lunches	+ \$8/guest
